- Rhodes Suitcase - Nothing embodies the evolution of the electric piano better than the 1973 Suitcase: a killer package of keyboard, amp and speakers.
- Wurlitzer 200 A - The Wurli is the sound of some of the most iconic hits of the last few decades and helped define the very characteristics of Fusion, Disco, Funk, and Pop.
- Hohner Clavinet - One of the most sought-after vintage keyboards, the Clavinet is an unmistakable sound on countless classic recordings from Stevie Wonder to Led Zeppelin, its punchy, percussive feel lending itself perfectly to every genre.
